SUMMARY

Entry-level video production professional with hands-on experience supporting live broadcast and multimedia production for ESPN, NESN, and collegiate athletics. Skilled in camera operation, Adobe Premiere Pro editing, and coordinating shoot logistics with producers, videographers, and on-camera talent. Coursework in documentary filmmaking and media law & ethics, paired with a track record of managing content calendars and meeting deadlines in fast-paced environments. Comfortable multitasking across research, footage organization, and production support, with strong written and interpersonal communication skills.

RELEVANT SKILLS

Video Production Support • Pre-Production & Shoot Coordination • Camera Operation • Adobe Premiere Pro, Photoshop, Lightroom, DaVinci Resolve • Footage Organization & Asset Tracking • Documentary Filmmaking • Content Calendar Management • Research & Outreach • Social Media Strategy • Time Management & Multitasking

PRODUCTION EXPERIENCE

Production Assistant | Oak View Group — Lowell, MA

Sept 2024 – Present

- Supported live broadcast production for ESPN and NESN, coordinating with producers and crew to deliver high-quality visual output under tight deadlines.
- Operated multiple camera systems across a range of live events, adapting quickly to different production needs and technical specifications.
- Selected from the PWWL's Boston Fleet to operate any camera position needed, reflecting reliability and technical versatility.
- Collaborated across production teams — including PWWL's Boston Fleet, IFL's Massachusetts Pirates, the Harlem Globetrotters, and UML Riverhawks — coordinating schedules and technical needs between staff and videographers.
- Recognized as Tier 1 Staff for top-level events requiring advanced technical skill and dependability.

Multimedia Assistant | UMass Lowell Athletics — Lowell, MA

Sept 2024 – May 2026

- Produced video content for ESPN, NESN, and AE.tv, managing multiple production projects simultaneously and meeting expected deadlines.
- Assisted with Media Day production, including lighting and camera setup, and guided athletes through scripted content — direct experience coordinating talent for shoots.
- Served as sole camera operator for AE.tv events, demonstrating trust and reliability in a remote/independent production capacity.
- Organized and delivered footage for use across athletic department social and promotional channels.

Content and Marketing Manager | Refined Renovations — Wilmington, MA

Dec 2023 – Nov 2025

- Produced and edited long- and short-form video content, managing the full workflow from shoot planning through final edit for Instagram, TikTok, YouTube, and Facebook.
- Collaborated directly with the CEO to plan content calendars, messaging, and campaign direction — experience communicating production plans and timelines to leadership.
- Shot and organized interviews, drone footage, and photo/video assets, tracking materials to support editing and storytelling.
- Managed on-site shoots end-to-end, ensuring assets aligned with brand goals and deadlines.
- Grew company Instagram by 5,000+ followers and posted 100+ reels totaling 200,000+ views through consistent, research-informed content strategy.
